Experience

FREELANCE DEVELOPER

Freelancer

2016 - Present

- Builds sites for common friends and clients
- I manually code but use WordPress for most of the clients
- I build websites from scratch or by templates if requested
- I can produce contents if clients don't have anything on hand

WEB CONTENT MANAGER

Genpact

2017 - 2018

- Built an internal app for the helpdesk group to integrate the internal tools into a single-page portal
- Developed a knowledge base portal and its database
- Maintained and modify the sites after the deployment

WEB APP DEVELOPER

TELUS International Philippines

2015 - 2017

- Enhanced the UI of the ticketing system
- Developed a single page for all internal apps used for technical support people
- Integrated all the needed apps to the single-page portal I built
